Letter of Reference for Traditional Glimpse

My name is Michael Pedersen and I am the station manager at 106.7 RED FM in Calgary. Over the history of our sister station RED FM in Vancouver, we have always hired people to do henna for us at the Canada Day events that we attend. Being that RED FM in Calgary is new, we had the difficult task of finding a new person to work with in 2014.

I discovered Samreen quite by accident at another event and was immediately drawn to her friendly and very professional manner. I soon contacted Samreen and asked her to work at our Canada Day event in Calgary for RED FM. Samreen was very articulate on the phone and honest about her expectations as a professional which I appreciated. Samreen showed up early and was happy to begin once her setup was complete. Samreen had a lineup of people who wanted henna applied the whole 4 hour period that she had committed to work for us. Samreen remained very friendly and professional the whole time and the quality of her work also remained excellent.

I would recommend Samreen of Traditional Glimpse without hesitation to anyone who would like henna services at their event. Samreen is one of the "good ones" and you will not regret working with her.

Regards,

Michael Pedersen
